

ADULT RACE CAMP AT PICO MOUNTAIN

February 2nd and 3rd

Redline Race Camps and ASRA have combined to offer you the 2nd Annual Race Camp at Pico, VT. The camp will be held on Thursday and Friday, February 2nd and 3rd. This camp will be a two day clinic that will focus on both SL and GS: working on technique and tactics in these disciplines with experienced, certified coaches. It will feature a low coach to racer ratio, intense work on specific fundamentals for each event and training courses on both days. This is a perfect way to keep up the momentum for the season and get you that valuable training time that is all too hard to find in a two day stretch.

- *Two days of professional coaching*
 - *Gate training*
- *Tactical drills & technique work*
 - *Low racer/coach ratio*
 - *Video Analysis and review*

This clinic is a great way to get an edge up for:
